

In the last decade,
Nick Mattiello has more than doubled the
state's education aid for the City of Cranston.

State Education Aid To Cranston

Even in the midst of a worldwide economic crisis caused by COVID-19, Nick Mattiello is still delivering for Cranston's students.

Delivering Vital Assistance to Cranston Schools

- ✓ Since Nick was first elected, the City of Cranston has received **increases in state education aid totaling more than \$130 million!** In the last decade alone, that funding has more than doubled.
- ✓ The enormous state assistance delivered by Nick Mattiello has allowed the City of Cranston to **hold the line on property taxes.** Without it, Cranston taxpayers would have been on the hook to cover these costs, or our schools would have suffered.

A Champion for Cranston's Students and Families

- ✓ Ensured that the state funded the **expansion of all-day kindergarten** in Cranston
- ✓ Made certain a **school construction state reimbursement program** was initiated, leading to a ballot question this year to invest in the future of Cranston schools
- ✓ Delivered funding that has helped Cranston schools ensure our kids are equipped with the most **modern technology**

Keeping Our Kids Safe

- ✓ Created a permanent reimbursement process for **school security projects** and has made certain all schools throughout the state adopt school safety plans and threat assessment teams
- ✓ Provided funding to the Cranston Police Department to **purchase 4 vehicles for its school resource officers** to patrol all schools
